RE: Petition No. 1609

Dear Director Bachman and Council Members,

The Bolton Board of Selectmen voted at their special meeting on April 23, 2024, to request that the Connecticut Siting Council not exclude petition number 1609 from the local approval process with the Town of Manchester. We believe that the local process provides for better access to the public for input and understanding by members of both the Bolton and Manchester communities. We appreciate your time and attention to this matter.

Respectfully,

Rodney Fournier, First Selectman
