Subject: Request For Public Hearing on Petition 1609

> Dear Connecticut Siting Council Members:

>

> I'm a resident of Manchester and I am writing to formally request a public hearing for Petition 1609.

>

> I am in opposition to TRITEC's plan to clear cut significant acreage on wetlands, destroying the habitat of the variety of wildlife that occupies the area. I do not believe that the precautions laid out by the Department of Energy and Environmental Protection are sufficient, nor will be adequately followed by the California based solar developer.

>

> Community members deserve the right to be heard by the members of the Council.

>

> I appreciate your consideration.

Manchester Resident
