Melanie Bachman, Esq., Executive Director
Connecticut Siting Council
10 Franklin Square
New Britain, CT 06051

RE: **PETITION NO. 1609** – TRITEC Americas, LLC notice of election to waive exclusion from Connecticut Siting Council jurisdiction, pursuant to Connecticut General Statutes §16-50k(e), and petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 0.999-megawatt AC solar photovoltaic electric generating facility located at 250 Carter Street, Manchester, Connecticut, and associated electrical interconnection.

Dear Executive Director Bachman and Members of the Siting Council:

Pursuant to Connecticut General Statutes §4-177a(b), §16-50n; and §22a-120, we hereby move and petition the Connecticut Siting Council that the undersigned be granted Intervenor status in the proceedings for the above referenced petition by TRITEC Americas, LLC for a solar photovoltaic electric generating facility (hereinafter “proposed facility”) located at 250 Carter Street, Manchester, Connecticut. We represent that our participation is in the interests of justice and the environment and that our participation will not impair the orderly conduct of the proceedings.

Our property is located on the opposite side of Blue Ridge Drive from the abutting properties that are closest to the proposed facility.

We intend to submit evidence, pre-filed testimony, and/or expert testimony related to water resources, electrical equipment and interconnection, facility construction, and emergency response. We each have education and experience directly related to the aforementioned categories. Due to our home’s proximity to the site, we also intend to submit evidence, pre-filed testimony, and/or expert testimony related to noise and visibility concerns.

We reserve the right to submit additional evidence and/or testimony throughout the proceedings, as allowed by Council procedures, related to any other potential impacts from the proposed facility on the environment, ecology, or assets of scenic, historic, or recreational importance.

For the above stated reasons, we respectfully request that our application for Intervenor status pursuant to General Statutes §4-177a(b), §16-50n, and §22a-120, be granted to allow us full participation in the Council’s proceedings regarding Petition 1609.

Respectfully submitted,

Rachel & Dana Schnabel
