Re: PETITION NO. 1614 – The Connecticut Light and Power Company d/b/a Eversource Energy petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed Christian Street Junction to Stevenson Substation Rebuild Project consisting of the replacement and reconductoring of electric transmission line structures along approximately 5.5 miles of its existing electric transmission line right-of-way shared by its existing 115-kilovolt (kV) 1580 and 1808 Lines between Christian Street Junction in Oxford and Stevenson Substation in Monroe, Connecticut, and related electric transmission line and substation improvements.
Notice of Construction Completion

Dear Attorney Bachman:

On July 19, 2024, Eversource Energy (“Eversource”) issued a ruling from the Connecticut Siting Council (“Council”) stating that the proposed Christian Street Junction to Stevenson Substation Rebuild Project (“Project”) would not have a substantial adverse environmental effect. Among other conditions of the ruling, the Council required that Eversource submit the following item pursuant to Condition 10:

- Within 45 days after completion of construction, the Council shall be notified in writing that the construction has been completed along with a representative photograph of the project.

Project construction was completed on June 5, 2025. A representative photograph of the completed Project, is included as *Attachment A*.

One paper copy of this notice will be sent by mail for the Council’s records.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
