RE: **PETITION NO. 1619** – TRITEC Americas, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.97-megawatt AC solar photovoltaic electric generating facility and associated equipment located at Parcel No. 27-15-7, 0 Riggs Street, Oxford, Connecticut, and associated electrical interconnection. **Request for Additional Extension of Time to Submit Determination Letters.**

Dear Attorney Michaud:

The Connecticut Siting Council (Council) is in receipt of your June 12, 2024 request for an additional extension of time to submit documentation required to make the above-referenced petition for a declaratory ruling complete in response to the Council's incomplete notice dated March 13, 2024.

Pursuant to Section 16-50j-22a of the Regulations of Connecticut State Agencies, the Council hereby grants the request for an extension of time to submit the required documentation by July 12, 2024.

Sincerely,

Melanie Bachman
Executive Director

Second Request for Extension.

Dear Attorney Bachman:

On April 16, 2024, the Connecticut Siting Council (“Council”) granted Petitioner’s Request for Extension dated April 15, 2024, of sixty (60) days or until June 12, 2024. However, as of today, Petitioner is still awaiting responses from the Department of Agriculture (“DoAg”) and the Department of Energy and Environmental Protection (“DEEP”).

Both DoAg and DEEP have indicated that Petitioner will receive their determinations shortly.

Accordingly, Petitioner requests an additional two weeks to submit one or both of the letters from the State agencies.

Please feel free to contact me if you have any questions.

Very truly yours,

Paul R. Michaud
