**Re: PETITION NO. 1637 – KCE CT 11, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.99-megawatt AC battery energy storage facility and associated equipment located at 100 Salmon Brook Street, Granby, Connecticut, and associated electrical interconnection.**

Dear Ms. Bachman:

I am writing on behalf of my client, KCE CT 11, LLC, (“KCE”) in connection with the above-referenced Petition. As discussed in the cover letter to KCE’s Responses to the Second Set Interrogatories issued by the Council on November 21, 2024, certain of the late filed exhibits requested by the Council contain confidential business information of a similar nature to that which has already been addressed by a Protective Order that has been issued in this Petition. Accordingly, KCE hereby requests that the following late filed exhibits be subject to the same Protective Order and shall be provided to the Council under seal:

1. A copy of the Canadian Solar Emergency Response Plan guidance.
2. The Standard SolBank Fire Safety Design, which contains confidential information that is responsive to the Town of Granby’s Interrogatory Number 8.
3. Safety Data Sheets for Battery Energy Storage System, which is responsive to the Town of Granby’s Interrogatory Number 54.

Should you have any questions concerning this submittal, please contact me at your convenience. I certify that copies of this submittal have been submitted to all parties on the Application’s Service List as of this date.

Sincerely,

Lee D. Hoffman
