Re: PETITION NO. 1637 – KCE CT 11, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 4.99-megawatt AC battery energy storage facility and associated equipment located at 100 Salmon Brook Street, Granby, Connecticut, and associated electrical interconnection.

Dear Ms. Bachman:

I am writing on behalf of my client, KCE CT 11, LLC, (“KCE”) in connection with the above-referenced Petition in response to the Town of Granby’s December 9, 2024 correspondence relating to administrative notice. In that letter, the Town of Granby requests that the Council take administrative notice of the August 1, 2022 IAFC Bulletin which the Town attached to its correspondence.

This letter will serve as confirmation that KCE has no objection to the Council taking administrative notice of the August 1, 2022 IAFC Bulletin.

Should you have any questions concerning this submittal, please contact me at your convenience. I certify that copies of this submittal have been submitted to all parties on the Application’s Service List as of this date.

Sincerely,

Lee D. Hoffman
