**Subject:** Petition 1642 - Non-Standard Work Hours Notification

Dear Attorney Bachman –

Re.: Regarding Petition 1642 – Non-Standard Work Hours

The Project team was notified that due to a failed pressure test on a water main this afternoon, a re-testing is needed in order to get the water main back in service and restore the road. Construction crews will be working into the evening hours tonight, Wednesday, June 10 past 7 pm.

The municipality of Danbury has been notified of the non-standard work hours anticipated.

Sincerely,

Andres Feijoo – Transmission Siting – Project Siting Specialist
