Re: PETITION NO. 1643 – C-Tec Solar, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 2.95-megawatt AC solar photovoltaic electric generating facility and associated equipment to be located at 77 Pompeo Road, Thompson, Connecticut, and associated electrical interconnection

Dear Ms. Bachman:

I am writing on behalf of my client, C-Tec Solar, LLC, in connection with the above-referenced Petition. At a meeting of the Siting Council earlier today, a question came up as to whether the Petitioner had replaced the sign that was removed by others at the proposed project site. If you refer to pages 17-20 of the January 16, 2025 evidentiary hearing transcript in this matter, you will find that the Petitioner testified that it had ordered the replacement sign and was installing a replacement for that sign on January 17, 2025.

Should you have any questions concerning this submittal, please contact me at your convenience. I certify that all parties on the service list for this docket have received a copy of this letter.

Sincerely,

Lee D. Hoffman
