**Re: Petition 1643 – C-Tec Solar, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 2.95-megawatt AC solar photovoltaic electric generating facility and associated equipment to be located at 77 Pompeo Road, Thompson, Connecticut, and associated electrical interconnection**

Dear Ms. Bachman:

I am writing on behalf of my client, C-Tec Solar, LLC (the “Petitioner” or “C-Tec”), in connection with the above-referenced Petition. Please include me in addition to the other representatives of the Petitioner on the service list.

Separately, on December 17, 2024, the Connecticut Siting Council (the “Council”) issued its First Set of Interrogatories to the Petitioner. C-Tec respectfully requests an extension of time of one week, until January 9, 2025, by which to respond to the Council’s interrogatories. The additional time is required due to the intervention of the New Year’s Day holiday as well as a desire to ensure the responses are as comprehensive and complete as possible.

Thank you for your consideration. Should you have any questions concerning this submittal, please contact me at your convenience.

Very truly yours,

Kathryn E. Boucher
