RE: PE 1646 – Certification of Emergency Response Plan

Dear Connecticut Siting Council,

I am writing to inform you of my certification and approval of the Emergency Response Plan (ERP) and training provided to the Town of New Canaan Fire Department by SMG Fire Consulting on behalf of Kinsley Energy Systems, pursuant to Conditions 3 and 4 of the Declaratory Ruling on Petition No. 1646.

The Battery Energy Storage System ERP was provided to the Town of New Canaan Fire Department on November 14, 2025. The ERP was prepared and presented by Sean Gray, SMG Fire Consulting, to the Town Fire Chief, Assistant Fire Chief, and Fire Marshal. Additionally, we were provided the itemized list of necessary fire suppression equipment and emergency response training. The emergency response training video has been made available to the department to use for future personnel changes within the department.

If there are further questions or concerns, please contact our office at (203) 594-3140 or you may reach me directly at Albert.Bassett@newcanaanct.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Albert Bassett".
