RE: **PETITION NO. 1655** – Borrelli Solar LLC Declaratory Ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the construction, maintenance and operation of a 1.99-megawatt AC solar photovoltaic electric generating facility and associated equipment to be located at 179 and 197 Borrelli Road, East Haven, Connecticut, and associated electrical interconnection. **Development and Management Plan. Request for Extension to Submit Interrogatory Responses and Written Consent for Extension of Time.**

Dear Steven Boyer:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of time to respond to interrogatories for the above-referenced Development and Management (D&M) Plan dated December 3, 2025.

Pursuant to Section 16-50j-22a of the Regulations of Connecticut State Agencies, the Council hereby grants the request for an extension of time to December 17, 2025.

The Council received the D&M Plan for the above-referenced solar facility on October 16, 2025. Section 16-50j-60(d) of the Regulations of Connecticut State Agencies, entitled, “Timing of plan” states: “The D&M plan shall be submitted to the Council in one or more sections, and the Council shall approve, modify, or disapprove the plan or a section thereof within 60 days after receipt of it....”

The current deadline for the Council to approve, modify, or disapprove the D&M Plan submitted for this facility is December 15, 2025. Due to the additional time to respond to interrogatories and the next regular energy and telecommunications meeting scheduled for January 8, 2026, the Council will need additional time to review the D&M Plan. The Council hereby requests an extension of the D&M Plan decision deadline for Petition 1655 until January 9, 2026. Please respond in writing by December 10, 2025.

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie Bachman  
Executive Director

MAB/MP
