RE: **PETITION NO. 1655** – Borrelli Solar LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 1.99-megawatt AC solar photovoltaic electric generating facility and associated equipment to be located at 179 and 197 Borrelli Road, East Haven, Connecticut, and associated electrical interconnection. **Request for Consent to Extend Final Decision Deadline.**

The current deadline for a final decision on the above-mentioned petition for a declaratory ruling is July 6, 2025.

Due to the delay associated with the submission of late-filed exhibits prior to the close of the evidentiary record and the required 30-day public comment period after the close of the evidentiary record, the Connecticut Siting Council (Council) may need additional time to render a final decision.

Pursuant to Connecticut General Statutes §4-176(i), “If an agency does not issue a final decision within one hundred and eighty days after the filing of a petition therefor, **or within such longer period as may be agreed by the parties**, the agency shall be deemed to have decided not to issue such ruling.” (Emphasis added). Borelli Solar, LLC is the only party to this matter.

The Council hereby requests a response in writing before the close of business on May 20, 2025 as to whether Borrelli Solar, LLC agrees to grant the Council an extension of time to August 8, 2025 to render a final decision on this petition for a declaratory ruling.

If you have any questions about Council procedures, please do not hesitate to contact me at the Council office at 860-827-2935.

Thank you.
