RE: PETITION NO. 1655 – Borrelli Solar LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 1.99-megawatt AC solar photovoltaic electric generating facility and associated equipment to be located at 179 and 197 Borrelli Road, East Haven, Connecticut, and associated electrical interconnection. **Second Incomplete Notice.**

Dear Attorney Melone:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on January 7, 2025. On January 8, 2025, the Council issued an incomplete letter for this petition due to a lack of notice to the Office of Consumer Counsel, the Town of North Branford and the Town of North Haven. The Town of North Branford and the Town of North Haven are both within 2,500 feet of the proposed facility.

According to Regulations of Connecticut State Agencies (RCSA) §16-50j-39a, “No declaratory ruling shall be issued to any person until a complete petition containing all information deemed relevant by the Council has been filed.”

On January 13, 2025, Borrelli Solar LLC provided proof of notice for the Office of Consumer Counsel; however, no proof of notice to the Town of North Branford or the Town of North Haven was provided.

Therefore, the petition remains incomplete at this time. The Council recommends that Borrelli Solar LLC provide proof of service of a copy of the petition on the Town of North Branford and the Town of North Haven, on or before February 13, 2025. If additional time is needed to provide the required information, please submit a written request for an extension of time prior to February 13, 2025.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

A handwritten signature in dark ink, appearing to read "Melanie A. Bachman".
