

August 6, 2025

Melanie Bachman, Esq.
Executive Director
Connecticut Siting Council
10 Franklin Square
New Britain, CT 06051

RE: Petition No. 1668 - Johnson Controls Inc. (JCI) petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a grid-side 3.9- megawatt fuel cell facility and associated equipment located at 35 North Main Street, Ansonia, Connecticut, and associated electrical interconnection.

Dear Attorney Bachman,

On July 16, 2025, Intervenor HyAxiom, Inc. submitted a Motion to Dismiss and/or to Deny Petition No. 1668 for a declaratory ruling (Motion to Dismiss) to the Connecticut Siting Council (Council).

The Council requested parties and intervenors to submit any responses to the Motion to Dismiss before the close of business on August 6, 2025.

JCI is actively working to develop a complete response to the Motion to Dismiss, but more time is required to compile supporting information for a complete response. JCI requests an extension of time to provide responses for consideration by the Council to the close of business on August 8, 2025.

JCI appreciates the Council's consideration of this request.

Sincerely,

Aaron Alibrio
(860) 471-0385
