RE: PETITION NO. 1683 – Greenskies Clean Energy LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the construction, maintenance and operation of a 2.75-megawatt AC solar photovoltaic electric generating facility and associated equipment located on one parcel (Parcel No. 079-015) northwest of the intersection of Quassapaug Road and Artillery Road, Woodbury, Connecticut, and associated electrical interconnection.

Construction Progress Reports

Dear Ms. Bachman:

Construction commenced on the Artillery Rd, Woodbury project on May 12, 2026. The information below covers the period from June 1, through June 30, 2026. Below is a summary of construction activities for the project. Additional reports will be provided through the completion of construction.

June 2026

- Installation of stormwater basins, swales and spill ways in North and South Array.
- Rock raking in North array.
- Trees cut and dropped per CT DEEP guidelines in MV corridor between North and South Array.
- Stabilization efforts including ECMs and Hydroseeding for all basins and swales.
- Weekly erosion and sedimentation (E&S) inspections ongoing and in compliance.

Please do not hesitate to contact me if you have any questions regarding this construction progress report.

Sincerely,
Hannah Lawrence
