Based on the information you provided, you are required to file notice with the FAA. You must submit notice at least 45 days before the start of the proposed construction or alteration or the date an application for a construction permit is filed, whichever is earliest.

The Structure Type you selected is identified as an Energy structure. If you are ready to file notice with the FAA now, we will send your submission to the DOD for formal review during our aeronautical study. If you are not ready to file notice yet, you may need to request an Informal Review of your project from the Department of Defense (DOD) Energy Siting Clearinghouse. Visit DOD Clearinghouse at <https://www.dodclearinghouse.osd.mil/Home/-About/> to learn more.

Note: If you propose construction or alteration that is subject to the licensing requirements of the Federal Communications Commission (FCC), you must submit notice to the FAA on or before the date that an application is filed with the FCC. Visit FCC Licensing at <https://www.fcc.gov/licensing> to learn more.

Privacy Act Statement (5 U.S.C. § 552a(e)(3)): Authority: Information solicited by the Federal Aviation Administration (FAA) Obstruction Evaluation/Airport Airspace Analysis (OE/AAA) is authorized by 49 U.S.C. § 44718 and 47101 Purpose: The FAA OE/AAA is an application used to evaluate all structures that may affect the national airspace system and defend against potential hazards to the safety and efficient use of the navigable airspace. The information collected is used to allow a user access to the OE/AAA and to administer the Aeronautical Study Process. Routine Uses: In accordance with the Privacy Act system of records notice, DOT/ALL 16 Mailing Management System and DOT/FAA 826 Petitions for Exemptions, Other than Medical Exemptions this information may be disclosed to officials within the federal government and the public in general. DOT/ALL 13 - Internet/Intranet Activity and Access Records, this information is routinely used; • To provide information to any person(s) authorized to assist in an approved investigation of improper access or usage of DOT computer systems; • To an actual or potential party or his or her authorized representative for the purpose of negotiation or discussion of such matters as settlement of the case or matter, or informal discovery proceedings; • To contractors, grantees, experts, consultants, detailees, and other non-DOT employees performing or working on a contract, service, grant cooperative agreement, or other assignment from the Federal government, when necessary to accomplish an agency function related to this system of records; and • To other government agencies where required by law.

Disclosure: Submission of the information is voluntary, however, failure to submit requested information will result in FAA's inability to grant you access to the system and may result in an inability of the FAA to process the notice or administer the aeronautical study process for the construction, alteration, activation, or deactivation proposed.
