Re: **PETITION NO. 1719** – SMART Technology Systems, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the construction, maintenance and operation of a 45-megawatt trash-to-energy electric generating facility and associated equipment on six parcels (Parcel Nos. 007-053A-0045, 007-053A-0042, 007-053A-0043, 007-053A-0041, 008-053A-0147, and 008-053A-0134) owned by O&G Industries, Inc. located east of Black Hill Road (State Route 14) and west of the Providence and Worcester Railroad right-of-way, Plainfield, Connecticut, and associated electrical interconnection.

Dear Ms. Bachman:

As set forth in your correspondence dated September 17, 2026 to the undersigned and to my colleagues Ann Catino, Esq., and Richard Roberts, Esq., the Connecticut Siting Council (the "Council") granted party status and CEPA Intervenor status in Petition No. 1719 to the Town of Plainfield with the condition that in accordance with CGS § 4-176(i), the Town of Plainfield submit written agreement to extend the final decision deadline in this proceeding to August 2, 2027 (the "Deadline") to the Council and the service list no later than September 24, 2026.

The purpose of this correspondence is to provide on behalf of the Town of Plainfield (the "Town"), the Town's agreement to so extend the Deadline.

Thank you for your attention to this matter.
