Draft Decision and Order

Pursuant to the foregoing Findings of Fact and Opinion, the Connecticut Siting Council (Council) finds that AT&T's proposed sharing of the facility located at 499 Mile Land is not technically, legally, environmentally and economically feasible, and does not meet public safety concerns.

Therefore, pursuant to § 16-50aa of the Connecticut General Statutes, the Council will not issue an order for the shared use of this facility.

We hereby direct that a copy of the Findings of Fact, Opinion, and Decision and Order be served on each person listed below, and notice of issuance shall be published in The Middletown Press.

By this Decision and Order, the Council disposes of the legal rights, duties, and privileges of each party named or admitted to the proceeding in accordance with Section 16-50j-17 of the Regulations of Connecticut State Agencies.
