RE: **DOCKET NO. 543** – The Towers, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility and associated equipment located at 17 Warren Road, Washington (New Preston), Connecticut. **Completeness Review.**

I. Introduction

The application is from The Towers, LLC for the construction, maintenance, and operation of a telecommunications facility and associated equipment in the Town of Washington, Connecticut. The Towns of Litchfield and Warren are within 2,500 feet of the proposed facility site.

II. Technical

The application conforms to the Council's *Application Guide for Community Antenna Television and Telecommunication Facilities*, includes relevant maps, descriptions of the proposed site, costs, a description of the environmental effects of the proposed construction, and health and safety information. The application meets statutory technical requirements for processing the application. This project would not require an outside consultant.

III. Administrative Review

All service and filing requirements pursuant to Connecticut General Statutes (CGS) § 16-50/ (b) have been fulfilled. Notice to the general public was published in Republican American.

IV. Procedural

Pursuant to CGS §16-50m, the Council must schedule a public hearing not less than 30 days and no more than 150 days after receipt of an application. At least one public hearing session shall be held after 6:30 PM for the convenience of the general public. The Council must also designate a place for the deposition of the transcript. Staff recommends holding a public hearing via Zoom remote conferencing on, December 4, 2025 and depositing the transcript in the Washington Town Hall.
