Good Afternoon,

Sprint is planning to decommission it's cellular site from the top of the monopole at 79 Putnam Pike, Killingly. The Killingly building department as requested get approval/an exception from the CT Siting Council in order to get a permit issued. Our scope is to remove Sprint's cellulare equipment from the monopole with no structural improvements being made.

I have never gone through this process before so I will need some assistance through this. Can you please have someone reach out to discuss this matter further? My cell is 516-698-5217.

Thank you,

**Michael Mazza**
