Dear Ms. Bachman:

DISH Wireless L.L.C. ("DISH") submits this response to the letter sent by the Connecticut Siting Council ("Council") on August 18, 2026 (the "Letter"), in response to DISH's August 12, 2026 notice to the Council concerning DISH's equipment installed, or approved for installation, at telecommunications facilities throughout Connecticut. Nothing in this response is intended to, nor shall it, constitute an assumption of any obligation, a commitment to future performance, or a waiver of any rights of DISH or its affiliates under the Bankruptcy Code or applicable law.

As requested in the Letter, DISH encloses a spreadsheet identifying the Connecticut sites at which DISH's equipment has been rejected or abandoned. The spreadsheet includes tower site addresses and related information.

The enclosed spreadsheet contains confidential and proprietary information. DISH respectfully requests that the Council treat this information as confidential and proprietary and refrain from public disclosure. DISH intends to submit a formal Request for Confidential Treatment herewith, consistent with the Council's Procedures for Filing Proprietary Information Under Protective Order.

Sincerely,

A handwritten signature in black ink, appearing to read "Sola Lee".
