RE: **2nd Quarter 2025 Telecommunications Audit, dated July 29, 2026 - Dish
Decommissioning/Removal of Equipment**

Dear Attorney Grimaldi:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated August 12, 2026 submitted in response to the Council's 2nd Quarter 2025 Telecommunications Audit dated July 29, 2026, regarding Dish's intention to decommission its equipment installed or approved to be installed on all Connecticut telecommunications facilities throughout the state.

The Council's approvals for installation of equipment at telecommunications facilities throughout the state include the following condition: "Any nonfunctioning antenna and associated antenna mounting equipment, or other equipment at this facility owned and operated by Dish shall be removed within 60 days of the date the antenna or equipment ceased to function."

The Council hereby acknowledges Dish's intent to decommission/remove its equipment at the sites listed on the attached 2nd Quarter 2025 Telecommunications Audit, dated July 29, 2026.

For the Dish sites that have been or will be decommissioned throughout the state that are not listed on the attached 2nd Quarter 2025 Telecommunications Audit dated July 29, 2026, please provide a full list by September 20, 2026.

Furthermore, Connecticut General Statutes 16-50v(b)(2) states [in part], "...The council shall apportion and assess the anticipated amount of expenses equitably in proportion to the percentage of the council's direct costs, among those persons who (1) provide communications services or have provided communications services facilities, and (2) have come before the council in the preceding calendar year. Each such person shall pay the assessment and submit a return, on a form prescribed by the council, to the council in four equal installments, on or before July 1, 1994, and July thirty-first of each year thereafter, October 31, 1994, and October thirty-first of each year thereafter, January 31, 1995, and January thirty-first of each year thereafter, and April 30, 1995, and April thirtieth of each year thereafter...."

The Council determined that Dish brought activity before the Council in calendar year 2025, resulting in Dish being responsible for a portion of the Council's telecommunications budget. Dish's portion of the Council's telecommunications budget amounts to \$1,415.55, invoiced in 4 installments due on July 31st, October 31st, January 31st, and April 30th. Currently, the July 31st invoice (TA00118) in the amount of \$353.89 is currently past due. **Please provide the past due payment prior to September 1, 2026 to avoid a late penalty.**

Sincerely,
