RE: PETITION NO. 770/DOCKET NO. 272 - Middletown Royal Oak Residents petition for a declaratory ruling to intervene or be designated as parties in Docket No. 272, stating the Royal Oak Bypass proposed by The Connecticut Light and Power Company in its proposed Development and Management Plan (D&M Plan) for Docket No. 272 is not in accordance with the Findings of Fact, Opinion, and Decision and Order issued on April 7, 2006; proper notice was not given to the Royal Oak Bypass residents; and the new route would adversely affect their properties and way of life.

Dear Attorney Zitser:

At a public meeting held on June 7, 2006, the Connecticut Siting Council (Council) did not act on your petition request. A previous denial decision for the Development and Management Plan for Segment 1b – Royal Oak Bypass rendered this petition moot.

Enclosed for your information is a copy of the decision on Segment 1b.

Very truly yours,

Pamela B. Katz, P.E.
