

CL&P/UI
Docket No. 272

Data Request W-M-O-01
Dated: 09/02/2004
Q- W-M-O-009
Page 1 of 1

Witness: Allen W. Scarfone
Request from: Towns of Woodbridge, Milford and Orange

Question:

For the EMF measurements for the existing line as shown on Exhibits 1 and 2 of the Testimony of Dr. William H. Bailey dated July 19, 2004 for any of the locations in Woodbridge, Milford, and Orange please provide:

- a. the system load and generator unit dispatch at the time of the measurement (system-wide); and
- b. the transmission line loadings at the time of the measurement for the existing line in Woodbridge, Milford and Orange.

Response:

The Applicants object to this data request based on the prior agreement of counsel regarding EMF interrogatories.

Please see attached.
