Report to the Connecticut Siting Council

April 30, 2021

Gravel Pit Solar, LLC

1166 Avenue of the Americas, Fl 9

New York, NY 10036

Gravel Pit Solar, LLC is pleased to submit the following responses to fulfill the requirements of Connecticut Statute Sec. 16-50r. Each response is preceded by the requirement from the statute.

(1) A tabulation of estimated peak loads, resources and margins for each year.

N/A

(2) Data on energy use and peak loads for the five preceding calendar years.

N/A

(3) A list of existing generating facilities in service.

N/A

(4) A list of scheduled generating facilities for which property has been acquired, for which certificates have been issued and for which certificate applications have been filed.

Gravel Pit Solar

(5) A list of planned generating units at plant locations for which property has been acquired, or at plant locations not yet acquired, that will be needed to provide estimated additional electrical requirements, and the location of such facilities.

N/A

(6) A list of planned transmission lines on which proposed route reviews are being undertaken or for which certificate applications have already been filed.

N/A

(7) A description of the steps taken to upgrade existing facilities and to eliminate overhead transmission and distribution lines in accordance with the regulations and standards described in section 16-50t.

N/A

(8) For each private power producer having a facility generating more than one megawatt and from whom the person furnishing the report has purchased electricity during the preceding calendar year, a statement including the name, location, size and type of generating facility, the fuel consumed by the facility and the by-product of the consumption.
