RE: **LIFE-CYCLE 2011** – Connecticut Siting Council Investigation into the Electric Transmission Line Life-Cycle Costs

Dear Attorney Dubuque:

The Connecticut Siting Council (Council) is in receipt of the request from Connecticut Light & Power Company (CL&P) for an extension of time to respond to interrogatories with regard to the above-referenced proceeding dated November 1, 2011.

Given the extraordinary circumstances, the Council grants the request for an extension. However, the Council's consultant, KEMA, would need more than 24 hours to review the responses to the Council's Interrogatories, Set 2 dated October 21, 2011. To the extent possible, the Council respectfully requests CL&P to endeavor to submit via e-mail to the service list responses to as many of those interrogatories as achievable before the close of business on November 11, 2011. Attached please find a revised service list that includes KEMA's contact information.

Thank you for your attention to this matter.

Very truly yours,

Linda Roberts
Executive Director
