RE: **Executive Order No. 26-1**

Dear Governor Lamont:

In compliance with Executive Order No 26-1, the Connecticut Siting Council (Council) hereby submits its licensing data for calendar year 2024.

Please note that pursuant to Connecticut General Statutes §16-50v, the amount of any fees paid for a license or permit that exceeds the expenses of the Council in reviewing and acting upon any matter for which the fees were paid shall be refunded within 60 days after completion of the matter.

Please also note that pursuant to Connecticut General Statutes §4-181a(b), there are no fees associated with reopenings and court remands of decided matters. Expenses of the Council in reviewing and acting upon any reopened and remanded matter are directly invoiced to the entity that requested the reopening and the entity that was issued the permit in the remand.

Should there be any questions or requests for additional information, please feel free to contact our office by phone at 860-827-2935 or by email at siting.council@ct.gov at your convenience.

Thank you.

Sincerely,
