

## Scheduler Overtime MOT and VOT – Interface

This interface populates the 2 Custom Fields in the Call List ([MOT Date](#) and [VOT Date](#)) based on existence of 2 Pay Codes on the Schedule with 30 days in the future and the past.

Pay Codes that impact VOT Date:

- [Overtime Accepted](#)
- [Overtime Refused](#)
- [Voluntary Overtime](#)
- [Mandatory Overtime](#)
- [Could Not Contact](#)

Pay Codes that impact MOT Date:

- [Overtime Accepted](#)
- [Mandatory Overtime](#)
