This session will provide an understanding on what, when, where and how you can use Hub Zone and Opportunity Zone initiatives. It will give you a chance to become more informed of how local small and medium businesses and contractors can benefit from these programs.

We will discuss:

- What are Hub and Opportunity Zone's and what is the difference.
- Which cities / zip codes qualify for either of these initiatives
- What benefits are provided to businesses in these zones.
- How you can access HUB and Opportunity Zones.
- What are the qualifications for a business and how to apply.
