

Retirement Services Division

Sources of Information

Retirement Customer Service Center: 860-702-3480

Comptroller's Website: <https://www.osc.ct.gov/empret/stateretire.htm>

Retirement Counseling Workshops

- For those nearing retirement, our online workshops share the same information that is provided in our traditional retirement counseling sessions. These workshops provide a **general explanation** of the most important retirement issues and considerations.

Benefit Estimators

- An employee can estimate their monthly benefit **online**. Our benefit estimators can be very helpful in retirement planning by providing an estimate of your monthly benefit along with survivor options.

Summary Plan Descriptions

- For more detailed information concerning each of the three retirement plans, please refer to our summary plan descriptions.

Social Security Administration: <http://www.ssa.gov>

- The Social Security Administration provides Personal Earnings and Benefit Estimate Statements annually and also upon request. You may request a statement online or by calling (1-800-772-1213).

Internal Revenue Service: <http://www.irs.gov>

- Visit this site for any questions you have concerning federal taxes.

Connecticut Department of Revenue Service: <http://www.ct.gov/drs>

- For information regarding your obligation to pay state taxes on your state pension please contact the Connecticut Department of Revenue Services by phone (860) 297-5962.

Prudential Retirement- Deferred Compensation: <http://ctdcp.com>

- If you participate in the State's Deferred Compensation Plan, please direct your questions regarding your account to Prudential Retirement directly. Prudential Retirement account representatives are available at (844) 505 -7283.
