THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY.

Your health record contains personal information about you and your health. This information about you that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services is referred to as Protected Health Information ("PHI"). This Notice of Privacy Practices describes how we may use and disclose your PHI in accordance with applicable law, including the Health Insurance Portability and Accountability Act ("HIPAA"), regulations promulgated under HIPAA including the HIPAA Privacy and Security Rules, and state laws. It also describes your rights regarding how you may gain access to and control your PHI.

We are required by law to maintain the privacy of PHI and to provide you with notice of our legal duties and privacy practices with respect to PHI. We are required to abide by the terms of this Notice of Privacy Practices. We reserve the right to change the terms of our Notice of Privacy Practices at any time. Any new Notice of Privacy Practices will be effective for all PHI that we maintain at that time. This includes consultation with clinical supervisors or other treatment team members. We may disclose PHI to any other consultant only with your authorization.

For Payment. We may use and disclose PHI so that we can receive payment for the treatment services provided to you. We are required by contract to provide PHI to DCF, our funding source, to document services provided.

For Health Care Operations. We may use or disclose, as needed, your PHI in order to support our business activities including, but not limited to, quality assessment activities, employee review activities, licensing, and conducting or arranging for other business activities. For example, we may share your PHI with third parties that perform various business activities (e.g., billing or typing services) provided we have a written contract with the business that requires it to safeguard the privacy of your PHI. For training or teaching purposes PHI will be disclosed only with your authorization.

Required by Law. Under the law, we must disclose your PHI to you upon your request. In addition, we must make disclosures to the Secretary of the Department of Health and Human Services for the purpose of investigating or determining our compliance with the requirements of the Privacy Rule.

Without Authorization. Following is a list of the categories of uses and disclosures permitted by HIPAA without an authorization. Applicable law and ethical standards permit us to disclose information about you without your authorization only in a limited number of situations.

As an agency dedicated to your well-being, it is our practice to adhere to more stringent privacy requirements for disclosures without an authorization. The following language addresses these categories to the extent consistent with our ethical mandates and HIPAA.

YOUR RIGHTS REGARDING YOUR PHI

You have the following rights regarding PHI we maintain about you. To exercise any of these rights, please submit your request in writing to our Privacy Officer, Sarah Spear, at sarah@love146.org:

- **Right of Access to Inspect and Copy.** You have the right, which may be restricted only in exceptional circumstances, to inspect and copy PHI that is maintained in a “designated record set”. A designated record set contains mental health/medical and billing records and any other records that are used to make decisions about your care. Your right to inspect and copy PHI will be restricted only in those situations where there is compelling evidence that access would cause serious harm to you or if the information is contained in separately maintained psychotherapy notes. You may also request that a copy of your PHI be provided to another person.
- **Right to Amend.** If you feel that the PHI we have about you is incorrect or incomplete, you may ask us to amend the information although we are not required to agree to the amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with us. We may prepare a rebuttal to your statement and will provide you with a copy. Please contact the Privacy Officer if you have any questions.
- **Right to an Accounting of Disclosures.** You have the right to request an accounting of certain of the disclosures that we make of your PHI.
- **Right to Request Restrictions.** You have the right to request a restriction or limitation on the use or disclosure of your PHI for treatment, payment, or health care operations. We are not required to agree to your request unless the request is to restrict disclosure of PHI to a health plan for purposes of carrying out payment or health care operations, and the PHI pertains to a health care item or service that you paid for out of pocket. In that case, we are required to honor your request for a restriction.
- **Right to Request Confidential Communication.** You have the right to request that we communicate with you about health matters in a certain way or at a certain location. We will accommodate reasonable requests. We may require specification of an alternative address or

other method of contact as a condition for accommodating your request. We will not ask you for an explanation of why you are making the request.

- **Breach Notification.** If there is a breach of unsecured PHI concerning you, we may be required to notify you of this breach, including what happened and what you can do to protect yourself.
- **Right to a Copy of this Notice.** You have the right to a copy of this notice.
