Extended Day Treatment
Referral Form

Instructions

The Extended Day Treatment (EDT) Referral Form, developed by the EDT Practice Standards Committee is to be used by all professionals who wish to make a referral to any of the state’s contracted programs. This includes DCF staff, System of Care Coordinators, school personnel, hospital staff, treatment providers, residential staff and others. (Parents, guardians or relatives who are making direct referrals are not expected to use this form.) The form will be readily available within the communities and may be obtained from the respective EDT providers. The form may be completed electronically and e-mailed to the provider, or the form may be completed manually and mailed or hand-delivered to the program site.

1. **Date Received By**
