BENEFITS

The State of Connecticut Annual Open Enrollment period is currently in progress. The deadline for changing health insurance is June 20, 2016. An election or change in health insurance made during this open enrollment period will take effect July 1, 2016. You will notice an adjustment on your next bill to account for the new rates.

If you do not respond during this year's Open Enrollment period, your health insurance status will remain unchanged, except that you will be affected by any change in the premium amount for your plan. You will not be able to enroll in, change, or add dependents to a plan during the benefit year other than during this open enrollment period, except under limited circumstances such as a change in your family status.
