

## DCF COVID-19 Daily Update Supporting Children, Families and Staff

April 17, 2020

### A SHOW OF APPRECIATION IN THE HARTFORD OFFICE

For Office Director Maritza Velez and Administrative Assistant Wilma Rosario, showing thanks to the staff in the Hartford Office entailed a simple but meaningful gesture.

Thoughtful note cards, with expressions of kindness and support, were placed in the state vehicles for their peers to see. In times of personal and professional stressors, this was yet another way an extension of "Thank You" was provided and to have the dedication and commitment of our staff acknowledged.

The gesture was so well received!

Thank you to Maritza Velez and Rosemary Wieworka for your leadership and to the entire Hartford Regional Office for reminding us that we are all in this together.

We are strong and we are a DCF family!
