

DCF COVID-19 Daily Update Supporting Children, Families and Staff

April 3, 2020

CONNECTICUT NEEDS VOLUNTEERS

Connecticut's hospitals, nursing homes and medical facilities are in desperate need of medical volunteers. [@GovNedLamont](#) is urging anyone with experience in healthcare to register on our volunteer registry [#CTRESPONDS](#). Click Here: <https://ctresponds.ct.gov/>.

CORONAVIRUS: STAYING HOME ADVICE FOR PARENTS AND CHILDREN

The COVID-19 pandemic is resulting in opportunities to share more time with our families. This article written by a New England pediatrician offers some tips about how to use the opportunity to strengthen family bonds: <https://www.adirondackdailyenterprise.com/news/health/2020/03/coronavirus-staying-home-advice-for-parents-and-children/>
