

COVID-19 Testing At Your Facility

Before:

- Our mission is to ensure the testing day is an efficient and pleasant experience. To prepare for this please ask employees to complete the following 2 items ahead of time:
 - Please sign up for MyChartPLUS
 - Please review the self-swabbing instructions ahead of time

Day of testing:

- Please bring your photo ID, wear a mask and maintain proper social distancing during the process
- Please review the self-swabbing instructions, which will be available at the testing station

What to expect during the testing process:

- Check-in at the registration desk (maintain social distancing)
- Obtain a testing kit with label
- Proceed to testing area and follow instructions on self-swabbing
- Follow instructions to cap/close swab in test tube, bag and secure in bag
- Deposit test kit in marked location

After testing:

- All testing results will be sent to MyChartPLUS accounts
- Individuals who test positive will also receive a phone call from an HHC provider
