

NOTIFICATION TO FOSTER PARENT(S) OF COURT HEARING
DCF-3030
(9/2024 Rev.)

Date:

Provider Name and Address:

Child's Name and Date of Birth:

The Department of Children and Families values its licensed caregivers and encourages their participation and feedback when planning for the children entrusted to their care. This is also supported by state and federal law, which requires that the court ensures that licensed caregivers entrusted with a child in care receive notification of any court proceeding that affects the children in their care.

I am writing to let you know that a hearing is scheduled for: _____ at _____
at the _____ Superior Court for Juvenile Matters
concerning your foster child located at _____

A virtual option is available for you participate in the hearing by clicking on the following link:

As a caregiver licensed by the department, your input and participation in the court process is valued and I hope that you will seriously consider attending the court hearing or provide your thoughts in writing.

You should feel free to call me or your foster care support worker if you have questions about the court process in general or the child's case in particular.

Sincerely,

Social Worker
