

The network is better off when informed.

The DCF Region 3 Regional Advisory Council based on your feedback invites all providers to take a few minutes to inform the RAC and fellow community/family members about your program(s)...

- Explain the program
- The target population
- Referral process
- If you have wait lists

And then to finally answer this question:

Where do you see gaps in our service system?

There is time for approximately 15 provider presentations up to 7 minutes apiece. We encourage you to also have available any marketing materials you would like to pass out. Attached you will find an outline to fill out in advance of the meeting. Please send attachment to robin.russo@ct.gov. We look forward to your participation!

Date: September 20th, 2018

Location: Cragin Library
8 Linwood Avenue
Colchester

Time: 2:30-4:30

Please RSVP by 9/13/18 to robin.russo@ct.gov
