“In partnership with families and communities, the Department of Children and Families will advance the health, safety and learning of all children we serve, both in and out of school, identify and support their special talents, and provide opportunities for them to give back to their communities and leave the Department with an enduring connection to a family.”

The Standing Committees are: Prevention Strategies, Permanency / Strengthening Families Strategies, Community Partnership / System Development, Professional Development, Healthy Development, Communication and Membership. More about the committees can be found on the back of this page.
