

# RAC Application for CRP Funds

## 2015 - 2016

### Purpose

*Citizen Review Panels (CRP) were formed as a result of the Federal Child Abuse Prevention and Treatment ACT (CAPTA), and amended by the Keeping Children and Families Safe Act of 2003. Panels are mandated to make recommendations for the improvement to the state agency charged with child protective services.*

The Department of Children and Families (DCF) State Advisory Council (SAC) is one of the Citizen Review Panels in CT and SAC is interested in engaging the greater community by soliciting feedback regarding how to best serve CT children and families while keeping them safe. The CRP/SAC funds are intended to support RACs in enhancing family engagement and participation in order to increase family input to DCF towards a vision of continuous evaluation and improvement of the service system for children and families in Connecticut. We seek greater family and youth representation in the Regional Advisory Councils (RACs) and the State Advisory Council (SAC) to ensure the meaningful involvement of the community in the planning, implementation, and evaluation of child-centered, family-focused and community-based programs and policy.

### Process

1. Applications should demonstrate how the funds will be specifically used to promote family participation, and indicate the commitment of the regional applicants to provide a written report to SAC at each bimonthly meeting, and an annual summary
2. The RACs must submit a short statement of their plan to accomplish the mission and include a proposed budget.
3. A RAC's contact information- including the names and signature of the RAC Chairs is required.
4. The application period runs from *May 31, 2015 to December 1, 2015*.
5. The RACs are expected to designate a fiduciary, a 501(c) 3 and its contact information to process the funds to the RAC.
6. RACs may apply for **\$1239 per region**. The funds **may not be used** for capital purchases such as equipment, administrative costs for the fiduciary, or to pay for consultants or speakers.
7. The funds may be used for supports to parent, family, youth involvement, and for events such as forums and dialogues, including food and supplies.
8. The SAC encourages flexibility and innovative approaches which support family involvement i.e. providing child care, gas cards or a meeting meal.
9. The SAC reserves the right to approve or disapprove budget items.
10. Each RAC will determine its policy for eligibility to qualify for a stipend (i.e. RAC membership, panelist, etc.) due to limited available funds,
11. The RAC is required to use the Parent/Family/Youth Stipend Form for each stipend. (attached)
12. RACs must complete a Final Annual Summary Report to the SAC by May 1, 2016 to include the following:
  - (a) The RAC's activities and expenses
  - (b) RAC recommendations to DCF that have emerged from the RAC's activities.
  - (c) receipts of expenses and copies of all stipend forms, supporting materials from events, forums and meetings indicating topics, presenters, attendance, and a statement by the RAC chairs of the accuracy of the RAC's expended budget.
13. The RAC will be notified via an email from the SAC co-Chairs of the SAC's approval as quickly as possible.

SAC MAY 2015

**BACKGROUND:** Congress amended the Child Abuse and Prevention Treatment Act (CAPTA) in 1996 to require states to establish 3 Citizen Review Panels. In order to receive grant funding, states were required to establish the panels by July, 1999.

**PANEL MEMBERSHIP:** The statute directs states to establish panels that are composed of volunteers who are diverse and broadly representative of the community, including members who have expertise in the prevention and treatment of child abuse and neglect. The size of the panel is not specified in statute.

**PURPOSE:** Panels are required to review DCF policies, practices and procedures and evaluate the extent to which the state or local agency is meeting its CPS responsibilities - ensuring the safety and protection of children and meeting their permanency needs.

**AREA OF FOCUS:** Child Protection

**PANEL REQUIREMENTS:**

1. To perform public outreach to assess the impact of practice on the community;
2. Review agency's compliance with CAPTA requirements;
3. Review the state's CAPTA plan;
4. Assess the state's coordination of Title-IV-E foster care and adoption programs;
5. Review child fatality reports;
6. Evaluate other criteria the panel deems important to ensure the protection of children;
7. Complete an annual report that outlines panel activities and recommendations to improve the child protection system;
8. Maintain confidentiality;
9. Meet quarterly at a minimum.
10. Review DCF policies, data, training curriculum, conduct research, CWLA special review reports etc.

**CAPTA REQUIREMENTS:**

CPS agencies must have:

1. screening and investigation procedures for abuse and neglect reports;
2. develop and implement safety and risk assessment tools;
3. procedures for appealing substantiated reports of abuse/neglect;
4. child abuse and neglect reporting procedures - mandatory reporting
5. collaboration with law enforcement, courts and child protection agencies
6. provide ongoing training opportunities for staff
7. provisions for the appointment of a guardian-ad litem to represent children in court

**ANNUAL REPORTS:** States are required to submit the CRP Annual Reports with the Annual Progress and Services Report, typically due 6/30.

Following receipt of the annual report, states have 6 months to provide a written response to CRP recommendations.
