

## *SAC Membership Issues:*

### *1. Number and categories of SAC Members:*

- a. total number currently 19,*
- b. categories to possibly add: pediatrician, educator*
- c. parents - required to have or had a child in system*

### *2. Governor's Appointment process: Vetting necessary and/or barrier to applying*

- a. Extensive & intrusive form - Example: Parents with a DCF case might not want to answer a number of the questions. RACs also need to vet appointees.*
- b. "Public Official" designation (includes SAC & RACS)*
- c. State Ethics requirements & training*

### *3. Legislation requirement on "income."*

- a. Ten members, a majority of the SAC, is not suppose to receive income from children and family services.*
- b. Who is responsible for tracking this requirement?*
- c. It would seem to be an impossible requirement for the SAC.*

### *4. Recruitment of SAC Members:*

- a. Who is responsible for recruitment? SAC, RAC & DCF*
- b. Simplification of process for membership: Solicitation of appointees, membership committee identifying possible candidates*
