
Are you in DCF and age 18+?

Are you losing your DCF benefits?

Did you get an 800 form from DCF?
Are you being discharged from DCF?
You are not alone. We can help.

Our help is free.

We are lawyers who can help youth
age 18+ try to keep their DCF benefits.

Call us right away if your case worker says you are getting an “800 Notice” from DCF.

That notice means no more help with rent and bills,
no more case management, no more educational funding.

After talking with you, we can help resolve issues with DCF
and, if needed, represent you at your DCF hearing so you can
keep your benefits.
