On 02 April 2020 around 1930 hours, Officer Rago and I were dispatched to 181 Oak Street to assist another agency. Sergeant Desso and Sergeant Gaudino responded to the location as well. Dispatch stated that Parole was requesting the assistance of the Police Department to set up a perimeter while they attempted to take Jose Soto (DOB - 23 November 1992) into custody for an active arrest warrant. Dispatch stated that Jose is known to carry firearms and has a criminal history that involves robberies.

Upon arrival, I took up a position on the South East corner of 181 Oak Street in the event that the suspect attempted to flee out of one the four windows on the East side of the residence. I observed Sergeant Desso and the Parole Officers speak with a female, later identified as the suspect's mother. She was standing in the front door of the residence of 181 Oak Street. One of the Parole Officers stated that the suspect's mother had told them that Jose was possibly in possession of a handgun and had barricaded himself in the basement. The Parole Officers stated that Jose had made comments about shooting individuals if they entered the residence to get him.

Sergeant Gaudino, Officer Brouillard, and Officer Jackson took up a position on the North side of the residence. I observed Officer Rago take up a position at the front (South) of the residence with his patrol rifle. Officer Brouillard drove a marked police cruiser to the front of the residence as a barrier in the event the suspect opened fire. Sergeant Desso then spoke with the suspect's mother and informed her that we needed any other individuals inside the residence to exit immediately. The suspect's mother needed to be told several times to have any individuals inside the residence exit immediately. I then observed, the suspect's mother, an older Hispanic

male and a younger female exit the residence and walked East, away from my location with Sergeant Desso. I asked the male where the suspect was located and he stated that the suspect was still in the residence, locked in the basement and the suspect might possibly have a weapon.

Sergeant Desso told Dispatch that CREST had been notified of the incident and would be responding. I maintained a position on the South East side of the residence for the duration of the incident. Around 2030 hours, the Bearcat arrived on scene with members of CREST. I overheard members of CREST state that members of the negotiation team were attempting to have the suspect exit the residence. At approximately 2116 hours, I observed the suspect through a window of the residence exit from the basement door and begin walking towards the front door. I told the CREST team that there was movement inside the residence. The suspect stopped walking and appeared to be hiding behind the area of the front door. The suspect was given clear, verbal commands to slowly exit the residence and keep his hands visible. I observed the suspect make a sudden movement towards the front door and heard several shots fired at this time. I observed the suspect fall forwards on the front porch of the residence. I observed members of the CREST team carry the suspect to the rear of the Bearcat where they began performing lifesaving measures to the suspect.

After the suspect was transported to Hartford Hospital, I placed crime scene tape around the scene. I was assigned scene security at the front of the residence by Sergeant Gaudino where I was later relieved by Officer Bruyette. This concludes my involvement, nothing further at this time.
