COMMENTS OR CONCERNS OF ANY PERSON PRESENT TODAY:

NEW BUSINESS:

1. Consideration of addressing Executive Orders regarding deadlines to obtain continuing education and classroom and online offerings by approved schools.

Please find below draft wording for the Board to consider:

The Board recommends that Executive Order No. 9M be modified to extend the period during which course providers can continue offering interactive, online courses. This modification shall take effect immediately and remain in effect for the duration of the public health and civil preparedness emergency.

The Board recommends that Executive Order No. 9M be modified to extend the deadlines for plumbers to complete their continuing education requirements from 2020 through any authorized means. This modification shall take effect immediately and remain in effect for the duration of the public health and civil preparedness emergency.

Note:

Michelle Seagull, Commissioner of Consumer Protection wants to remind the Board members that ultimately it is up to the Governor's office to change an Executive Order so a board vote won't necessarily result in an extension.
