MINUTES FROM PREVIOUS MEETINGS

The Board voted unanimously to approve minutes of the January 8, 2007 meeting.

APPLICATIONS

Jesse C. Timm, Meriden, CT – (R-6) Limited Journeyman Application – Approved

The Board denied Mr. Timm's application at their 11/13/06 meeting due to lack of the required documentation regarding his occupational instructional related experience. The Board had requested of Mr. Timm to provide them with official transcripts relating to all of the occupational related school certificates submitted with his application for review.

After further review of Mr. Timm's application at today's meeting, the Board voted unanimously to approve his application.

LATE ARRIVING APPLICATION

The Board voted unanimously to review the following late arriving application:

Stephen G. Janty, Bolton, CT – (R-1) Unlimited Contractor Application – Approved

The Board voted unanimously to approve Mr. Janty's application.

CORRESPONDENCE

Correspondence dated 12/8/06 from Jerry P. Padula, Esq., DCP Legislative & Administrative Advisor, addressed to Jack M. Guerrero, Apprenticeship Program Manager, regarding a change in the Department of Labor policy that would shorten the period of time, known as the "Pending Period," that an apprentice will be allowed to prepare for and successfully pass the licensing examination.

Mr. Hurlburt informed the Board that Journeyman applicants have up to three license examination attempts and Contractor applicants have unlimited license examination attempts annually to successfully pass the licensing examination. If applicant fails the examination, the applicant is still considered legal to continue working within the trade as an apprentice. The applicant waits one year to re-apply for the license examination and continues the cycle until applicant successfully passes the licensing examination.

OLD BUSINESS

Board member John R. DeRosa inquired on the regulation change concerning “Penetrating Floor” floor. Mr. Hurlburt referred legislative questions to Jerry P. Padula, DCP Legislative Liaison.

There being no further business, the meeting adjourned at 10:15 A.M.

Respectfully submitted,

Nelson Leon
Board Secretary

The next regular meeting of this Board is scheduled for Monday, May 14, 2007 in Room 117.
