Appearance by Clifford Bullock, Bullock Access

Mr. Bullock was in attendance today to follow up on discussion that took place at the November 3, 2015 Elevator Board meeting regarding unlicensed activity in Connecticut and the request made to Trade Practices Division for the investigation of 101 Mobility of Connecticut.

Mr. Bullock inquired as to what role the Board will be taking in the future to investigate companies potentially engaging in unlicensed activity in the accessibility equipment and elevator trades. It was determined that this question should be directed to Richard Maloney, and that Mr. Bullock is welcome to attend the next board meeting, at which Richard Maloney will be requested to attend.
