

C8 LIMITED ELECTRICAL SIGN JOURNEYPERSON

PRE-REQUISITES TO LICENSURE

Scope of License: The holder of this license may perform only work limited to installing, servicing, maintaining and testing electric signs where such work commences at a dedicated outlet receptacle or connection directly adjacent to such sign and only while in the employ of a contractor licensed for such work. The requirements to qualify for this license examination shall be the completion of a registered trainee program or equivalent experience and training.

Term of Apprenticeship: 2000 hours on the job training (OJT) and 144 hours Related Instruction (RI)

OJT credit of up to 200 hours may be given for UL listed fabrication shop experience.
