

# Buddy Program

~HH-Stonewall Community Farm, Inc. is a 5013c non-profit charitable corporation that offers service unlike any other organization in the state of Connecticut. We are dedicated to fostering a diverse range of programs that includes community service initiatives, the development of community gardens, and equine assisted unmounted activities in other words our 'Buddy Program'. We take immense pride in our commitment to rescuing and providing a loving retirement for draft horses.

HH-Stonewall Community Farm is excited to be collaborating with Camp Harkness for the summer of 2024 in Waterford, CT!

~The buddy program was created under the belief that every person, regardless of disability, status, or challenges, is warmly embraced and welcomed. The program allows participants or individuals to interact with the rescued/retired draft horses in the form of grooming and long line driving on the ground. It provides an opportunity to access fresh air, and interactions with an array of domesticated animals. This also serves as a great way for people to bond and grow together with the animals or simply provide a chance to "turn off" from the outside world. It is another form of therapy that does not have to be confined in a room, but can be a natural, wholesome and "horsemade".

## 2024 Schedule

Program runs Tuesdays, Wednesdays, and Thursdays June 18th to August 22nd.

Grooming only (includes braiding mane/tail and painting) \$35.00 per person (8 max in time slot)
