

April 15<sup>th</sup>, 2025

Dear Providers,

We are excited to share that the new Direct Support Professional (DSP) Job Board is now live and ready for you to use. Website is <https://dspjobs.ct.gov/>

This centralized platform was created to make it easier for anyone interested in DSP roles to find and apply for job opportunities across DDS-qualified provider agencies like yours. To ensure its success, we now need your help to populate the board with available job postings.

We are launching a statewide DSP recruitment campaign on April 21, and we want to make sure that interested candidates have job listings to explore as soon as they visit the site.

What you need to do:

- Log in and create an account for your agency.
- Post your current DSP job openings to the board.
- Limit account access to only the staff at your agency who typically handle recruitment or hiring.

Detailed instructions on how to create an account and post jobs are attached to this email. Thank you for partnering with us to make this job board a valuable resource for both job seekers and providers. Your participation is critical to the campaign's success and to strengthening our workforce across Connecticut.

If you have any questions or need assistance, please don't hesitate to reach out.

Sincerely,  
Mary Pat DeCarlo  
DDS Workforce Development Director
